The SDSU LGBTQ Research Consortium Presents
Prof. Arianne Miller
Department of Counseling & School Psychology

What's Your GAYDAR Telling You?
Untangling Gender & Sexual Orientation in Gaydar

Over the past 30 years, “gaydar” has moved from being a popular in-group term used among LGBTQ communities, to a concept and phenomenon that is the focus of scientific research. This talk will address how the research on gaydar masks gender diversity among gay and straight individuals, as well as reproduces traditional racialized archetypes of femininity and masculinity.

Thursday, October 29th
4:00pm - 5:30pm
@ Scripps Cottage
